

Maximize your network's potential with our 1000-foot Black 24 Fiber Optic Cable, featuring cutting-edge Corning ClearCurve OM4 technology. This multimode fiber optic cable is engineered for high-speed ...

24-Strand with Furcation Tubing OM4 Multimode 50/125 10/40/100 Gig Laser Optimized Fiber Distribution Cable; Choose Connectors, Jacket Type, and Optional Pulling Eye.

24-core GYTY53 cables are ideal for outdoor backbone and access networks, particularly in direct-buried routes, tunnels, or ducts where extra mechanical strength is required.

The plenum distribution fiber optic cable uses high performance components and construction and is UL Listed in accordance with NEC section 770.179 (a) for use in ducts, plenums and air-handling spaces.

This cable design is available in both riser rated and plenum rated versions for deployment in any inside plant re-code application. The UV-resistant outer jacket, coupled with dry waterblocking technology, ...

These are the outdoor fiber optic cables you see strung along telephone poles (aerial), installed inside an underground duct, or even buried directly below ground.

The 24 Core Outdoor Multi-Mode OM3 Fiber Optic Cable delivers high-speed, reliable outdoor networking with 24 cores for multiple connections. Optimized for 850nm wavelength, it supports data ...

TMT GLOBAL provides high-strength optical fiber cables for use in various industrial, indoor, and outdoor applications. Offering unique properties and benefits for different types of use, 24 core fibre ...

This is a black 1000 foot spool of indoor/outdoor rated Plenum fiber optic distribution cable intended for large installations of short range runs at 10 Gigabit speeds. It is composed of 24 multimode fibers (50 ...

Experience seamless, rapid installations with our versatile indoor/outdoor ribbon fiber cable. Ideal for high-density data centers, colocation facilities and vertical backbones.
