

48-pin connector box

This type of header contains male pins within a plastic base and is meant to be mated with a rectangular cable connector or a female socket header for board-to-board connection.

Each breakout box assembly comes with a test lead kit of patch cables, shorting bars, and banana jacks. 48-pin Breakout Box is for use with the Raptor GCM48 module.

Each product undergoes comprehensive testing and inspection processes to ensure durability, performance and safety.

Mouser offers inventory, pricing, & datasheets for Pin (Male) 48 Position Connectors.

1 Set 48 Pin Way ECU PCB Plastic Enclosure Box With Mating Male And Female Auto Connectors.
