

Our company's core personnel have more than 10 years of working experience and technical accumulation in the field of laser fiber coupling and fiber device components.

The Optilab LD-685-15-PM-CM is a 685 nm pigtailed laser module, with 8-pin package. This high-efficiency and high-stability product is featured in a TEC cooler and internal photodiode.

We developed the laser diode modules with record coupling efficiency and thermal stability of optical power, and photodiode modules with excellent return losses, responsivity, and dynamic range. Our ...

This diode lasers buying guide provides technical background, comparison of major types, selection criteria, and an overview of suppliers.

685 nm red diode laser with round beam spot, red lasers, diode laser module, diode laser system are manufactured by CNI laser.

86 Laser Diodes from 1 manufacturer listed on GoPhotonics. Search by specification. Selected filters - Country : Belarus, Page-1.

RPMC Lasers Inc. offers an extensive range of laser products and services, including laser diodes, continuous wave (CW) lasers, pulsed lasers, and optical amplifiers. Their products cater to diverse ...

685nm Red Laser Diode, 50mW Output - USHIO HL6750MG RLS / HL6750MG Manufacturer USHIO View
Wavelength 685 nm Output Power 0.022 W Package Type Coaxial Mode Structure Single Mode

We have been offering these high-quality laser diodes for over 25 years. The performance, reliability, and lifetimes are time tested, and if for some reason there is an issue, we will make it right.

Check out our collection of 685 nm Fabry-Perot laser diodes with different optical powers. You can pick from Single-Mode (SM), Polarization-Maintaining (PM) or Multimode (MM) optical fibers, depending ...
