

OPTICOELECTRON GROUP is the biggest producer of optic-mechanical and optic-electronic devices and systems for special military purposes and civil use in Bulgaria. The list of products includes ...

We propose and fabricate a monolithically integrated dual-mode semiconductor laser (DML) based on optical amplified feedback, where the adjustable optical self-injection feedback could ...

Featuring a single +12V DC power supply and a SMA RF input connector, this module is easy to operate and integrate. The module can be controlled remotely via the RS485 interface. Wavelength other ...

We experimentally demonstrate an O-band single-lane 200 Gb/s intensity modulation direct detection (IM/DD) transmission system using a low-chirp, broadband, and high-power directly ...

In this paper, we present a directly modulated laser (DML) using a partially corrugated grating (PCG) and integrated with a semiconductor optical amplifier (SOA).

Established 40 years ago, "OPTICOELECTRON" in the beginning is one of the most high-tech companies in Bulgaria, specialized in manufacturing of optomechanical, optoelectronic and laser ...

Limotec Ltd is a private limited liability company established in 2002 in the city of Sofia, Bulgaria. We are specialized at manufacturing of precision optical components for optomechanic, optoelectronic ...

We produce high-quality optical elements. In close cooperation with our clients, we offer complex solutions to their ideas - from the calculation phase, through the construction, the control and finally - ...

Titopic Ltd is a private limited liability company established in 2020 in the city of Sofia, Bulgaria. We are specialized at manufacturing of precision optical components for optomechanic, optoelectronic ...

The leading Optical Amplifier Manufacturers in Bulgaria are listed in this directory. You can narrow down the list of manufacturers based on their location and capabilities, browse their product catalogs, view ...

Featuring a single +12V DC power supply and a SMA RF input connector, this ...
