

Seal cable penetrations with our modular firestop solutions, designed to create water-, smoke- and gas-tight barriers in energy and industry projects both onshore and offshore.

Steel wall sleeves support cable trays at penetrations, featuring UL fire-rated systems and outdoor weatherproof kits. Review specs for safe installation.

3M Fire Barrier Moldable Putty+ is a one-part, halogen-free product designed to firestop electrical outlet boxes and a wide variety of through-penetrations including cable, conduit, insulated pipe and metal ...

The frame can be opened and closed repeatedly to allow for cable maintenance and additions. The sponge rubber pads are compressed around the penetrating items and can be easily cut to fit around ...

Applications are designed to seal any type of cable penetration, as well as any metallic, composite or plastic pipe penetration. The system can be used for single or multiple pipes, or any combination of ...

Cable tray length is selected based on the load to be supported, the distance between the supports (also referred to as the span), and handling and installation constraints.

In vertical wall penetrations, weatherproofing cable trays is often carried out using a weatherstop sealing system. From the outside, this looks like ...

We design vertical penetrations for complex arrays of cable trays and pipework and can deal with any sort of ductwork or steel structure that is required to pass in and out of the building.

Sealing the cables individually with pressure fit seals is the only way you're likely to get a truly watertight penetration in the circumstance. As Waross noted their preference, almost any ...

In vertical wall penetrations, weatherproofing cable trays is often carried out using a weatherstop sealing system. From the outside, this looks like ductwork or a series of boxes attached ...

Our wind certification report provides you with list of acceptable B-Line series cable tray supports, fittings and covers based off of the environmental conditions, cable loading, and type of cable tray in your ...
