

# Corrosion-resistant coated distribution box housing

The SN Series of NEMA sheet-metal boxes meet NEMA 1, 2, 4, 4X, 12, 13, and IP65 ratings. Made of durable 14-gauge steel, they can be mounted without the need to remove the cover and expose ...

Explore our high-performance NEMA 4X electrical enclosures, engineered for outdoor and indoor environments where protection from water, dust, and ...

These distribution boxes have been developed to protect sensitive TFT and LCD displays from dust, water and mechanical impacts in difficult industrial environments.

Constructed from high-quality cold-rolled steel and finished with a durable powder coating, this enclosure provides excellent protection against dust, dirt, and mechanical impacts.

We manufacturer custom made high corrosion resistant enclosures C5, and CX for offshore areas. The ISO12944 standard is intended to assist engineers and corrosion experts in adopting best practice in ...

Steel enclosures and junction boxes from Polycase are available in both carbon steel and stainless steel varieties. Our steel electrical boxes are UL Listed, ensuring your equipment is protected in harsh ...

VIOX distribution boxes are constructed with high-grade materials resistant to corrosion and environmental stress. This ensures long-lasting performance even in challenging outdoor conditions, ...

Choose from our selection of corrosive environment electrical boxes, including outlet boxes and covers, weatherproof outlet boxes and covers, and more. Same and Next Day Delivery.

BX51 Stainless Steel Explosion-Proof Distribution Box is engineered to control power distribution safely in explosive-prone areas.

Explore our high-performance NEMA 4X electrical enclosures, engineered for outdoor and indoor environments where protection from water, dust, and corrosive elements is critical. These enclosures ...

A Stainless Steel Distribution Box from EPCOM offers an unparalleled solution for protecting sensitive electrical and electronic components. Designed for durability and resilience, these enclosures are ...
