

Yueqing Liangkai Electrical Equipment Co., Ltd. specializes in high-quality distribution boxes, offering waterproof and timed cyclic power sockets. The company is a leading manufacturer based in ...

Explore our waterproof outdoor electrical box for safe and efficient energy distribution. Ideal for low voltage panel board systems and rural power grid upgrades.

Space saving: Integrating many electrical components into one box reduces the space required for laying wires and installing electrical equipment in a dispersed manner, and improves space utilization.

Browse power distribution boxes with circuit breaker protection and multiple outlet configurations. Shop durable solutions for construction and emergency use.

It is small in size, beautiful in appearance, economical and practical, and it is installed on the outdoor pole of column transformer, and it is a new generation of ideal distribution products for the urban and ...

Prefabricated substations, modular substation, wind power substation, low voltage switch cabinet and power transmission and distribution equipment, products widely used in electric power, railways, ...

The improvement of the operation reliability of the power distribution box is a goal of creating a high-quality project, and the distribution boxes of many households cannot achieve the...

With its compact design, attractive appearance, and cost-effectiveness, the JP series is an ideal solution for urban and rural power grid upgrades, representing the new generation of outdoor distribution ...

It has the functions of short circuit, overload, overvoltage, leakage protection, etc. it has compact structure, small size, beautiful appearance, economical and practical, and is used for the distribution ...
