

Our SM and double-clad fiber coupler offerings also include a selection of components ideal for OCT applications.

Get Quotations on your custom Fiber Optic Coupler requirement from multiple manufacturers via GoPhotonics. Enter your requirements, details and upload any supporting files.

Our small footprint couplers, splitter/combiners and other components can be configured as NxM port, splice free coupler arrays and as custom assemblies fabricated for high ER and low loss.

Explore 54 top manufacturers and suppliers of Fiber Optic Couplers in our comprehensive photonics buyers' guide.

Manufacturer of standard and custom fiberoptic cable couplers. Features include universal threaded coupling (FC), hermetically sealed, temperature and humidity resistance, and waterproof.

Fibertronics, Inc. offers customizable fiber optic couplers with various sizes & split ratios. Couplers enable travel of light waves through multiple paths.

At Matrix PT Tech Co., Ltd., we specialize in custom fiber optic couplers, tailoring solutions to meet your needs as a leading manufacturer. Quality from trusted factories!

We manufacture couplings in a size range from 1/2" to 4" in a wide variety of materials including aluminum, ABS, PVC and engineered plastics. Our production and stocking program is tailored to ...

We offer a full line of fiber optic couplers and splitters supporting SM, MM, PM, large core, and double-clad fibers across 300-2000 nm, with power handling up to 100 W and operating temperatures up to ...

It includes the laser beam coupler series 60SMS, the fiber collimator series 60FC and 60FC-F as well as 60FC-L and 60FC-T. Specialized collimators are available with achromatic optics or made from ...
