

We offer 6-strand and 12-strand pigtail kits in a variety of fiber types, including OM1, OM3, OM4, and singlemode (9/125 micron) fiber. Our kits come with LC, SC, and ST connectors, including UPC and ...

Whether you're building a new FTTH network or upgrading your infrastructure, Sofia Trade Solutions is your trusted partner in passive fiber optic technology. We work directly with trusted manufacturers in ...

High quality pre-terminated 900&#181;m optical fiber pigtails with LC, SC, ST connectors for fiber splicing applications. Choose from single mode, multimode and 10G OM3/OM4 fibers.

Choosing the right custom fiber pigtail factory is crucial for ensuring optimal networking performance. Understanding the technical specifications of fiber pigtails, such as connector types ...

FS offers custom fiber pigtails in any connector & fiber type with tight buffer, armored and bend insensitive fiber design for easy fusion or mechanical splicing.

Available in both single mode fiber pigtail and multimode fiber pigtail variants, they are manufactured using industry-grade fibers that guarantee efficient light transmission.

Available in a range of multimode and single-mode fibers with SC, ST or LC connectors. Our premium pigtails offer low insertion loss and custom length options. Economy pigtails offer over a compelling ...

In addition to our standard offerings, we can create customized pigtails tailored to your specific requirements. Whether you need industry-standard 62.5/125&#181;m multimode or 9/125&#181;m single-mode, ...

Have any questions? Talk with us directly using LiveChat.

Get your Fibermart fiber optic pigtails for your optical network. Choose connector types, fiber length and jacket options with perfect customized fiber pigtail solution.

Custom fiber pigtails deliver tailored configurations, low insertion loss, and optimal splice compatibility for high performance data center, telecom, and broadcast networks.
