

# E2000 Connector Anti-Calling CE Certification Installation Instructions

The E-2000(TM) connector is the most mechanically robust FO connector. Combined with R& M's quality requirements for raw materials, design, and workmanship, it guarantees the most stable transmission ...

The E2000 fibre optic products offer both pre-loaded and fully modular systems to reduce installation time and maximize design flexibility for lower total system cost.

The correct installation of E2000 connectors is crucial for the long-term performance and reliability of fiber optic networks. As an established industry standard, the E2000 connector meets the ...

mechanical and optical interfaces, the E-2000™ fiber optic connector family can cover the most standard and customized requirements in response.

The connector can be supplied as a pre-assembled connector or as connector kits. APC or PC ferrule are available. IL are available.

E-2000™ connectors and adapters come with interchangeable color-coded frames and mechanical keys, helping to prevent connection errors and support system organization.

E2000 Connector Features: According standard:IEC61547-15?EN186270 Dustproof,Anti-light leakage Standard plastic body,good interchangeability

The unique internal connector mounting device allows for quick replacement of adapters without the use of tools. Adapters are simply added or replaced from the front of the panel, by hand, while the ...

## INSTALLATION.

E2000 fiber optic connectors require specific fixturing and tooling. See our materials and equipment designed specifically for E2000 connector assemblies.

The E-2000(TM) Connector offers a spring-loaded shutter mechanism that protects the ferrule end-face from scratches and dust while locking out potentially eye ...

Lever Connector Compact Duplex Two E-2000 connectors can be joined together to make a duplex connector by using the COMPACT DUPLEX CLIP and the DUPLEX CONNECTOR LEVER.

The E-2000 is an optical fiber plug connector with push-pull locking mechanism and a self-closing dust
