

Find advanced 4 port optical fiber switch answers for quick and dependable data flow. Use modern technologies to improve connection for flawless communication.

Founded in 2002, Huijue Network is a high-tech service provider integrating intelligent network communication equipment and computer intelligent network ...

Specified using saicom equipment to ensure the stability of the optical fiber network and unobstructed, and better meet the needs of the construction of the major network carriers.

The stable and reliable switch supply enables long-term operation and makes it convenient to replace the power supply. It can extend the internet up to 80 km.

The stable and reliable switch supply enables long-term operation and makes it ...

SW0402C is a One hundred trillion single-mode single-fiber transceiver, providing four 100Mbps electrical ports and two 100Mbps SC optical ports 10/100M Ethernet fiber optic transceiver, which ...

Shanghai Huijue Network Communication Equipment Co., Ltd. is a China Based Company. [Show All Products](#)

Founded in 2002, Huijue Network is a high-tech service provider integrating intelligent network communication equipment and computer intelligent network communication system integration and ...

Shop DigiKey's large in-stock selection of Fiber Optic Switches, Multiplexers, Demultiplexers. [View inventory, pricing and order now for same day shipping!](#)

Its combination of Ethernet and fiber optic ports offers flexibility and speed. Easy setup and reliable performance make it a great choice for connecting a variety of devices from computers to security ...

Discover fiber switches designed for reliable network connectivity. Browse 10G, 2.5G, and gigabit options to expand your bandwidth.

The 4#215;4 Industrial Bypass Optical Switch utilizes fiber-to-fiber technology over an angled surface to achieve ultra low losses and crosstalk. It is an external Optical Bypass Box for 10 /1Gbps fiber ...
