

Didn't find any products that meet your requirements? Feel free to contact us for further technical support!

Find the right laser diode with just a few clicks. Just select your specifications in the search mask and you get an instant overview of all the laser diodes that meet your requirements.

Our vast selection of laser diodes includes both free-space & fiber-coupled outputs, like high-power Fiber-Coupled Multimode, high beam quality single mode, and narrow linewidth & wavelength ...

Laser diodes are available at Mouser Electronics from industry leading manufacturers. Mouser is an authorized distributor for many laser diode manufacturers including ams Osram, KYOCERA AVX, ...

Arrow is an authorized distributor of Laser Diodes from industry-leading manufacturers. Find datasheets, pricing, and inventory for the available product lines below.

We try to help our community of laser scientists & engineers find the best products for their projects by hosting a free Open-Index product database with lasers from all manufacturers. Manufacturers can ...

Filter the laser diode list by wavelength, output power, and package type to meet your specific requirements. Contact us for more information about our laser diodes and services, including laser ...

These kits include a laser, a beam splitter, and a laser mount. Mark a dot up to 1,000 feet across your plant for long-range applications such as laying out conveyors and positioning ventilation systems.

Laser Diodes, Modules Laser Diodes and Modules are semiconductor devices that can emit a beam of high intensity focused radiation, typically in the infrared, visible or ultraviolet wavelength ranges of the ...

Find the right laser diode with just a few clicks. Just select your specifications in ...

The laser diode selector allows you to specify the wavelength, power and package and download datasheets for a wide range of high quality laser diodes.
