

# Manufacturer of Fully Automatic Optical Cable Splicing Machine

Aurora Optics introduces Fusion Splicing with two simultaneous views of the fibers on a stylish video monitor, together with the lowest available losses and most accurate splice loss estimates.

Discover high-precision optical fibre cable splicing machines from top suppliers. Shop durable, fully automatic fusion splicers for FTTH & telecom networks.

Fiber Optic Center has fiber optic splicing equipment, including splicers, cleavers, protection sleeves, mechanical splicing tools and more. We distribute fiber optic splicing equipment from Corning, AFL, ...

Our products enable the splicing of optical fibers, allowing for seamless transmission of voice, data, and video signals over long distances. Our fusion splicers can be shipped overnight within the continental ...

HOC fully automatic 6 core alignment fiber optic splicing machine, with built-in power, power meter and VFL. Mobile App and cloud storage management is supported.

AFL Fusion Splicers provide you with the precision and reliability you need to splice your fibers. We offer a wide range of fusion splicers to choose from, including benchtop fusion splicers, field fusion ...

FTTH splicing machine AI-7/8 uses the latest core alignment technology with auto focus and six motors, it is a new generation of fiber fusion splicer. It is fully qualified with 100 km trunk construction, FTTH ...

Signal Fire optical fiber fusion splicer AI-6A/6C/7C/8C/9 use the latest core alignment technology with auto focus and six motors, it is a new generation of fiber fusion splicer.

We offer a range of equipment necessary for splice various special optical fibers, including polarization-maintaining fibers such as PANDA fiber, thin-diameter fibers, large-diameter fibers, and multi-core ...

Brimming with precision, our Fusion Splicer is a true marvel in its realm. Outfitted with advanced image processing technology and precision positioning systems, this device is crafted to automatically ...
