

Leviton fiber optic pigtail kits are a good solution for mechanical or fusion splicing applications. Available in a range of multimode and single-mode fibers with SC, ST or LC connectors. Our premium pigtails ...

FS offers single mode & multimode fiber pigtails with tight buffer design for easy fusion or mechanical splicing. Quality assurance by 100% end-face, IL & RL testing.

CommScope engineers and manufactures a complete line of high quality fiber pigtails

Find high-quality fiber optic pigtails for reliable network termination. We offer a full range of single mode and multimode pigtails with SC, LC, ST, and FC connectors.

A high-quality multimode fiber optic pigtail with SC/UPC connectors. Ideal for fusion splicing, they are quality tested to meet or exceed industry standards.

The SC Fiber Pigtails (APC, UPC) are available in both single and multimode versions. Our Fiber Pigtails come with a partial outer jacket, protecting the tight buffers from damage.

High quality pre-terminated 900&#181;m optical fiber pigtails with LC, SC, ST connectors for fiber splicing applications. Choose from single mode, multimode and 10G OM3/OM4 fibers.

DINSpace SNAP Splice Pigtail with 1ea. 62.5 Multimode SC Simplex Adapter, 3ft. Length. Splice protector sold separately.

This SC pigtail is a multimode cable with high-grade SC UPC fiber optic connector on one end, another end unterminated. It can configure single mode fiber as well for the specific application.

Our 12 strand SC-UPC Multimode Fiber Pigtail Kits are available in standard glass, utilize color coding and perform to meet TIA-568-C.3 standards.
