

Mouser offers inventory, pricing, & datasheets for Laser Diodes.

Laser Diodes are available at Mouser Electronics. Mouser offers inventory, pricing, & datasheets for Laser Diodes.

10mW laser diode component, red in colour and supplied with 7mm diameter collimating lens.

Laser diodes are available at Mouser Electronics from industry leading manufacturers. Mouser is an authorized distributor for many laser diode manufacturers including ams Osram, KYOCERA AVX, ...

Find the right laser diode with just a few clicks. Just select your specifications in the search mask and you get an instant overview of all the laser diodes that meet your requirements.

Find the right laser diode with just a few clicks. Just select your specifications in ...

Focused laser beam through optical instruments will increase the chance of eye hazard. This LD shall change its forward voltage requirement and optical output power according to temperature change. ...

Laser Diodes and Modules are semiconductor devices that can emit a beam of high intensity focused radiation, typically in the infrared, visible or ultraviolet wavelength ranges of the electromagnetic ...

Laser diodes are semiconductor devices which closely resemble an LED (light emitting diode). Laser diodes work in a very similar way to LEDs, however they create a laser beam at its junction instead.

Shop DigiKey's large in-stock selection of Laser Diodes, Modules. View inventory, pricing and order now for same day shipping!

Find a huge range of Laser Diodes at element14 New Zealand. We stock a large selection of Laser Diodes, including new and most popular products from the world's top manufacturers including: ...
