# No network access when only fiber optic cable is laid

Address common fiber internet problems with practical solutions to keep your connection fast and reliable.

No (adverb, noun, adjective) - Used to describe the absence of something when expected or supposed. "No" is one of the most commonly used words in many languages around the world.

No is the ultimate negative: it means "not any," or "not at all," and it's also used to express a generally negative response. If there's no milk for your cereal in the morning, there's not a drop left.
