

Price list for 40G liquid-cooled switches for data center interconnect

The Arista 7060X and 7260X Series are a range of 1RU and 2RU high performance 25G, 40G, 100G and 400G high density, fixed configuration, data center switches with wire speed layer 2 and layer 3 ...

We propose the best and most realistic IT solutions that are within your business structure, budget, and long-term objectives. Get high-speed 40G Data Center Switch with low latency, ideal for cloud, ...

The QFX5120 line offers 1/10/25/40/100GbE switches designed for data center, data center edge, data center interconnect and campus deployments with requirements for low-latency Layer 2/Layer 3 ...

The Arista 7050TX 10/40 Data Center Switch Series are purpose built 10/40GbE data center switches in compact and energy efficient for factors with wire speed L2 and L3 features combined with low ...

The Arista 7060X and 7260X Series are a range of 1RU and 2RU ...

The world's highest-performance, liquid-cooled, Ultra Ethernet Transport ready switch designed for next-generation AI infrastructure. With 64 ports of 1.6Tbps Ethernet in a fixed 2U switch, the QFX5250 ...

FS 40Gb Switches offer high bandwidth, network virtualization, and redundancy, ensuring efficient deployment for campus core and distributed networks.

Get the best deals on Ethernet Switch Enterprise Network Switches 40 Gbps Maximum Data Transfer Rate and find everything you'll need to improve your home office setup at eBay . Fast & Free ...

"Cisco"s next-generation cooling innovations are designed for the future--start assessing your readiness for direct-to-chip liquid-cooled switches now to accelerate your AI roadmap when ...

As the most compact formed 10G/40G/100G solution in the industry, the S6800 series switch is perfectly matched for high density 10GE access or 40G/100G aggregation in intelligent data centers and cloud ...

The new HPE Slingshot 400 not only increases the switch ASIC speed to 51.2Tbps, but it also will usher in significantly faster HPC interconnect speeds to keep pace with solutions like the ...
