

Purchase optical cable sheathing fragments

Thorlabs" full line of optical fiber and fiber optic components are presented here. This includes our industry-leading selection of bare optical fiber and fiber optic patch cables as standard stock items. In ...

Mechanical properties for different cable types are set with armoring and strength members. Our state-of-the-art extrusion technology offers you the ability to utilize a large variety of plastic materials to ...

Many of our customers" products, systems or manufacturing processes require using a fiber optic cable assembly to allow the opto-electronic sensing components to be positioned remotely while ...

Grandway TTG20 Longitudinal, Horizontal and Spiral Cable Sheath includes all the basic tools for fiber optic cable construction and maintenance. Contact now!

As lighting & sensing products have decreased in size and become less invasive, Lifatec has focused on developing its core processes, allowing us to manufacture the smallest, most durable cable systems ...

Explore 9 top manufacturers and suppliers of Fiber Optic Sheathing in our comprehensive photonics buyers" guide.

We offer a wide range of fiber coating diameters and sheathing types to meet your application needs. Our scientists and engineers will help you find the right polymer solutions to protect optical fibers so ...

Rugged, compact, maintenance-free sheath cutter includes double-sided replacement blade, molded plastic shim, 3-mm Allen key and instructions in a molded plastic case.

We supply fiber optic cables and assemblies with glass, plastic and quartz fibers. We offer a wide variety of sheathing options, with standard or custom end fittings for your application and operating ...

Our bundles are made with standard SMA, ST, FC or custom connectors, and available with silica/silica, silica/plastic, borosilicate glass, plastic optic fibers, and with various sheathings materials.
