

Premises Multi-unit Distribution Optical Fiber Cables are constructed using 6 or 12-fiber subunits stranded around a central strength member in a RoHS-compliant design for fiber counts from 18 ...

PureNet OM4 multimode fiber cable, available in 6, 12, or 24 strands, delivers high-speed 40G/100G performance. UL Listed, RoHS compliant, and ideal for enterprise and data center networks.

Digital diagnostic functions are available via the I 2 C interface. This Coherent optical transceiver complies with RoHS 6 Directive 2011/65/EU. Coherent FTL4S1QE1C Optical Transceiver is a hot ...

32G FC Transceivers The 32G FC SW transceivers are designed to be used in Fibre Channel links up to 28.05 Gb/s data rate over multimode fiber. They are compliant with FC-PI-6a, SFF-8472 Rev 12.2c, ...

Shop DigiKey's large in-stock selection of Fiber Optic Transceiver Modules. View inventory, pricing and order now for same day shipping!

Optimized for 10Gb speeds, this 1000ft OM3 fiber delivers fast, reliable data transfer for high-bandwidth commercial and industrial networks. Built with dual 50/125µm fibers, Aramid yarn, and a tough aqua ...

We report the design and fabrication of multi-mode hollow core fibers, guiding at least 50 spatial modes in the near-infrared while retaining low propagation losses and reasonable bend...

These transceivers are RoHS compliant and per Directive 2011/65/EU. Low power with Up to 28.05Gb/s Data Links Maximum link length of 70m links on OM3 or 100m links on OM4 ...

These fiber optic couplers from Folium Cable Evolutions have LC connectors, multi-mode, simplex, and are RoHS compliant.

PureNet OM4 Multimode Fiber - 6-Strand | UL Listed & RoHS ...PureNet OM4 multimode fiber cable, available in 6, 12, or 24 strands, delivers high-speed 40G/100G performance. UL Listed, RoHS compliant, and ideal for enterprise and data center networks.

High-performance SFP+ multi mode transceiver with duplex LC connectors, supporting up to 20km transmission over multimode fiber. Features 1310nm FP laser transmitter, low power dissipation, and ...
