

# Singapore Home Electrical Distribution Box Manufacturer

Sunlink Engineering will deliver a durable, precise, and project-ready Metal DB Box tailored to your electrical system needs.

They offer a wide range of distribution boards from reputable brands like ABB and Schneider Electric, which are essential for dividing electrical power feeds into subsidiary circuits and providing protection.

Our Distribution Boards are used for power receiving, feeding, metering and lighting in residential buildings. Like our Main Switchboards, the modular size makes it easy for customization.
