

South African Single-Fiber Bidirectional QSFP28

The 100G QSFP28 ZR4 BiDi from NEC Corporation is a single-fiber bi-directional optical transceiver for data center applications.

To meet the demand for long-distance transmission in scenarios where optical fiber resources are scarce in edge access networks, Walsun has launched the 100G QSFP28 ZR4 BIDI ...

QSFP28 (Quad Small Form-Factor Pluggable 28) enables 100G transmission by aggregating four parallel 25G electrical lanes, delivering an optimal balance of bandwidth efficiency, power ...

FS offers a growing portfolio of 100G QSFP28 modules. The 100G QSFP28 module solution provides high-performance 100GbE connectivity for data centres, enterprise core & distribution layers, ...

The 100G QSFP28 BiDi optical module enables 100G high-speed interconnects via single-fiber bidirectional transmission without adding more fibers, making it an ideal solution that balances ...

Upgrading from 10G to 100G no longer requires complex fiber builds. Our QSFP28 Bidirectional (Bidi) transceivers delivers high-speed 100G connectivity over a single strand of fiber, ...

FS offers a growing portfolio of 100G QSFP28 modules. The 100G QSFP28 module solution provides high-performance 100GbE connectivity for data centres, ...

AE-QSFP28-BX10 is designed for 10 km links over single-mode fiber. It uses a bidirectional wavelength pair (commonly 1271 nm and 1331 nm) so that one strand carries both transmit and receive signals. ...

Amphenol's 100G QSFP28 optical modules include SR4, AOC, AOC break out, CWDM4, LR4, ER4 Lite, ER4 and ZR4 series, which adopt LC or MPO optical ports

NEC's 100G QSFP28 BiDi optical transceiver enables the transmission and reception of 100Gb/s high-speed data over a single optical fiber. By enabling bidirectional transmission over a single fiber, this ...

Buy HPE 100Gb QSFP28 Bidirectional Transceiver as per business needs from HPE store. Explore QSFP28 bi-directional transceiver price & specs. SKU# 845972-B21 - Specifications | HPE South Africa
