

What are some brands of single-mode fiber optic pigtails

High quality fiber optic pigtails, single mode, with connectors: LC/UPC, SC/APC. Proven quality at the best price.

High quality pre-terminated 900µm optical fiber pigtails with LC, SC, ST connectors for fiber splicing applications. Choose from single mode, multimode and 10G OM3/OM4 fibers.

We carry Fiber Optic fusion splicers, cleavers, OTDRs, cables, panels, laser sources, power meters, and many other Fiber Optic products for any project.

Leviton fiber optic pigtail kits are a good solution for mechanical or fusion splicing applications. Available in a range of multimode and single-mode fibers with SC, ST or LC connectors. Our premium pigtails ...

Standard connector types used in pigtails are SC, LC, LSH, FC or ST. Since 2006, SAMM has been the manufacturer and provider of high-quality and reliable fiber optic cable assemblies.

Manufacturer of standard and custom fiberopticpigtails for fusion splice applications. Straight tip (ST), ferrule (FC), subscriber (SC), lucent (LC), and mechanical transfer registered jack (MTRJ) ...

Find high-quality fiber optic pigtails for reliable network termination. We offer a full range of single mode and multimode pigtails with SC, LC, ST, and FC connectors.

At Amerifiber, we've built a reputation on reliability, durability and responsiveness. We're committed to offering the best price for our singlemode fiber pigtails without sacrificing quality or throughput.

FS fiber optic pigtails offer a fast way to make fiber optic communication devices in the field by fiber splicing, fully manufactured and tested by industrial standards.

CommScope engineers and manufactures a complete line of high quality fiber pigtails
